5 Subject: Reminder of the Title Change

Dear Sir,

The applicant has requested to substitute the title of the current invention in the
10 Response to Office action (Amendment to the Specification) submitted on
08/29/2006.

The applicant hereby made the payment of USD 1700 for the issue fee and
publication fee and would like to have the patent issued with the changed title:
15 "CIRCUIT AND METHOD FOR ALIGNING TRANSMITTED DATA BY
ADJUSTING TRANSMISSION TIMING FOR A PLURALITY OF LANES"
according to the request presented in the said communication.

Please confirm your receiving of this communication by the following
20 contacting information.
